90 These huts and vacant sites were ordered to be acquired in 1910 for being given to the Vokkaligar Sangha. The cost of acquisition was met by Government.

91 In all, 41 properties were notified and awards were passed in 1913, the rate of compensation settled being 2 annas per sq. yard of vacant land, Rs.2/- per ankanam of thatched house and Rs.4/8 per ankanam of mud roofed house. The owners of 21 properties are

said to be unwilling to accept the awards and all attempts at persuasion have failed. Their present demands, as re-capitulated in the Deputy Commissioner's letter dated 22nd June 1928, are extravagent.

92 The question now is whether the awards should be enforced and these persons evicted after paying them only the awarded compensation or whether any ~~further~~ concession should be shewn. In two cases, the compensation awarded has been raised to Rs.2/8 per sq. yard, in one instance by Govt. and in the other by the Court. The owners of the property now in question would expect a similar treatment. But if this were given, the total extra cost would be about Rs.4,000/-

93 Considering all circumstances, the follo ing would appear to be a fair settlement:-

94 The Municipal Council may be requested to give sites free of charge in Gangamanachery to each of the 21 persons. In ten cases, the new site will be equal to or bigger than the present sites of these people. In the remaining cases, the difference in extent may be paid for at Rs.2/6 per sq. yard, in addition to the compensation already awarded. The extra cost involved in this proposal is about Rs.2,670/-

Bangalore.

Sir,

With reference to your No.L-8426/Ll.1-25-55 dated 9th April 1926, forwarding for report petition received from Rangappa and others of Korecharapalya, Bangalore City, complaining against their eviction from their lands, which had been acquired for the construction of the Vokkaligara Sangha Hostel, I have the honor to submit herewith a memorandum drawn up by the Sub-Division Officer, Bangalore, explaining the past history of the case and how the matter stands at present. The petitioners' grievances are real, and a solution is possible if the Municipal Council allot free sites in a suitable locality. A reply is awaited from the Municipal Commissioner on this point and I shall make a further report on receipt of a reply from this officer. In the meanwhile I request that Government may be pleased to suggest to the Municipal Commissioner that the request of the petitioners may be considered sympathetically by finding sites in a suitable locality early.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Deputy Commissioner
Bangalore District.

N o t e.

In accordance with the Government order No.L-7130-3/A).376-09-3 dated 18th February 1910, the lands in Hadbylchenna and Hosachcra-palya were acquired for the Vellalagere Anicut Mestal and the award was passed on 28th June 1912 by the then Deputy Commissioner L.F.B.J. Honnaswamy Naik. A sum of Rs.1933-11-0 was drawn from the treasury for payment to the owners of lands. Out of this amount, a sum of Rs.1197-8-0 was paid by him to such of the persons that presented before him and the balance of Rs.688-3-4 was sent by each order to the Amildar, Bangalore Taluk, with his No.310 dated 19th September 1914 with directions to send for the remaining owners mentioned in the list and to transmit all the vouchers direct to the District Treasury. He was further directed to make over the acquired properties to the Vellaligar Sangha as soon as possible. Subsequently a sum of Rs.141-7-3 was paid to one Honnamma Honnavanth by the Amildar and his land was taken possession of by the Amildar.

The Amildar sought for instructions as to the disposal of the balance of the compensation amount remaining in his hands. He was ordered to issue notice to the non-consenting owners but no action was taken as they had not filed an application for the revision of the awards within the time limit fixed by section 18 of the Land Acquisition Regulation. A sum of Rs.516-14-1 is still to be paid to 22 persons who are still unwilling to receive the amount as the amounts awarded were very low.

The records do not show that notices of the award were duly served on the parties as required under section 12 of the Land Acquisition Regulation and there is nothing to show that all of them were aware of the actual awards prior to their appearance before the Deputy Commissioner and the Amildar to receive payments.

At least one Lingayatappa who had applied for in writing to the Deputy Commissioner on 20th July 1912 within 6 months required by the Regulation to refer the case to the Civil Court for adjudication. As a special case he was paid a special award of Rs.500/- though he was entitled to Rs.43/- and odd as per the original award.

From the records it is seen that there are 21 persons who did not receive payment of compensation but did not present their objection

petitions for reference to Civil Court and that there is a balan of Rs.485-11-10 in the Revenue Deposit.

The question of removing these Korachars who are unwilling leave the lands and to receive the amount of com tion from the Vokkaligara Sangha premises is pending from the ye 1913. Then a reference was made to the President, City Municipal Council, to grant suitable sites to the persons to be evicted the lands acquired from the Vokkaligara Sangha premises. The City Municipal Council, Bangalore, has intimated in his No.T.71 7th November 1923 that a plot of land consisting of 22 sites in Goripalya to the west of Rev. Father Briand's colony is availa 8 annas a square yard for being allotted to the persons who will to be evicted from their land. Then the Assistant Commissioner I of Bangalore Taluk was ordered in No.P.1294 dated 19th May 1923 take steps for the removal of these persons to the locality pe in the Municipal President's letter. Accordingly an order has issued to the Amildar, Bangalore Taluk, to evict the Korachars the Vokkaligara Sangha premises to new Goripalya. The Amildar in his No.D.O.51 dated 13th February 1926 stating that no speci eviction order was issued by the award officer in the case of who have not accepted the award and that the matter will be set if the eviction order is issued and the City Police is written help the local authorities in the matter of removal of persons.

Under the above circumstances, an order was issued tion 47 of the Land Acquisition Regulation to the Amildar Ban taluk in the capacity of First Class Magistrate and Land Acqui officer Bangalore to evict the persons who have refused to hand the possession of the lands though they have been acquired i and to hand over the possession of the land to the Secretary gara Sangha, Bangalore. Then some of these Korachars appeared the Amildar and represented that if any suitable site very ne the City limits is granted they are willing to hand over the of these sites to the Sangha as most of them are employed as

rs hou

President, City Municipal Council, Bangalore, is malarial, unhealthy and far removed from the places where they will have to go, for their daily work. Then a reference has been made to the Municipal Commissioner City Municipal Council on 1st April 1926 with this office No. H.C.282/24-25 forwarding the petition of the panchamas ~~xxxx~~ living in Koracharapalya and requesting that these people may be granted sites near Koracharapalya or Shambappanapalya for which no reply has been received yet from the Municipal Commissioner.

S i r,

With reference to correspondence ending with your D.O. letter No.L.6062 dated 30th March 1928 in the matter of allotment of sites to the displaced men of Koracharpalya near Vokkaligara Sangha, I have the honor to stete that it was after a careful consideration of the circumstances of these people that the Council resolved that the sites in Gangamacherry may be granted to them at a concession rate of Rs.40/- per site. There are no sites anywhere else, either in Koracharpalya or in Visvesvarapuram to suit their financial condition. The contention that these sites are Malarial and unhealthy is not tenable. Several sites in this very locality were sold twice in 1926 and there was great demand and competition for them. The demand for small sites in this particular locality which is midway between the City and Cantonment and which abuts the very important Hoskote Road (Sri Narasimharaja Road) is increasing. If these people do not take advantage of this offer, I am afraid it will have to be withdrawn and the sites sold by auction. The contention that these sites are far removed from the places where they will have to go for their cooly work is equally untenable, as such a plea is common to all in a city of distances like Bangalore. As reported already in my letter No.G.114 dated 9th December 1926, the matter will be placed before the Council for sympathetic consideration, if these people take up the sites and pray for a reduction in price as a concession. The petitioners may kindly be informed

accordingly. A copy of this letter has also been forwarded to the Deputy Commissioner, Bangalore District with referen to his letter No.C.-5-269/27-28 dated 14th September 1927 your address.

The petition received with your letter No.L.4811 da January 1927 is herewith resubmitted.

Sir,

Subject:- Eviction after acquisition- Korcharpalya,
Bangalore City.

In continuation of my letter No. 05-269/27-28 dated 14th June 1928 on the above subject, I have the honor to state that on the 16th June 1928 I inspected the houses of the residents of the Korcherpalya who are proposed to be evicted from the vicinity of the Vokkaligara Sangha and also the new site selected for their settlement in the Gangammanchery in company with Municipal Commissioner, and Health Officer and the Sub Division Officer and Amildar of Bangalore. On the 18th idem, the persons concerned appeared before me and made oral representations, but all declined to give anything in writing excepting one man.

The objection that the site selected for them in Gangammanchery is unhealthy is untenable. As a matter of fact there is a demand for house sites in that locality and it seems to me that the sites if sold will fetch more than what the Municipal Commissioner has proposed to charge them.

3. The main contention of these persons is that the Government have no right to evict them and give their sites to an association of another community viz., the Vokkaligara Sangha. They contend that the action of Government is unjustifiable.

4. Their second contention is that their palya in no way

way interferes with the use of the 'Sangha' building by its members as they are far away at the back and are in no sense a nuisance or inconvenience to the Vokkaligara Sangha.

5 Their third conteition is that the acquisition being o for the benefit of a provate association, is not for a public pose for which proceedings can be taken under the Land Acquisition Regulation.

6 Their fourth contention is that the award made to them is ridiculously low and that advantage was taken of their helpless position and the compensation payable to them fixed very low was proved in cases at least three in which the persons who were well off contested the award and obtained compensation which was several times more than what had been given by the Acquisition Officer. Kind attention is invited to G.C. Nos. 7458-9/Ml. 70-14-34 dated 1[illegible] March 1913 and G.O. No. R. 11405-3/Ml. 159-1[illegible]-7 dated 4th April 19 I am constrained to observe that the compensation awarded is obvio less than what the house sites alone would fetch, if they were put auction.

7 Their fifth contention is that in view of the fact that acquisition proceedings took place more than 12 years ago and that they have consistently refused to receive compensation (Rs. 485/- in 21 cases) they are entitled to stay where they are and that the can now be evicted only after fresh proceedings and on payment of adequate compensation. This aspect of the case has not been so considered by any body.

8 These persons pray that if their objection that the acqui is ultra vires and illegal and no longer operative is overruled they are made to quit the Korcherpalya, they should be given the ing concessions:--

1. Each evicted person should be given a site equal to his site in Korcherpalya.
2. Each evicted person should be given a building constructed in a sanitary manner and with a floor

floor area equal to that of his existing house.

3. Each expelled person should be given something towards his expenses of shifting.

4. and their settlement should be provided with the usual road drains, water and lighting facilities.

9 These persons told me that it is immaterial to them hether the cost is borne by the Government, the Municipality or the Vokkaligara Sangha.

10 I think that the prayer of these persons is reasonable and that they should be given suitable houses before they are asked to quit their present quarters.

11 I solicit early orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Extract from the Award Order of Mr.J. Komaraswamaik,

Deputy Commissioner, Bangalore District

Considering all these circumstances I am of opinion that a valuation of Rs 250/- per acre of garden land, Rs 0-2-0 per square yard of vacant land, Rs 2-0-0 per ankanam of thatched house including the value of the site on which it stands and Rs 4-8-0 per ankanam of mudroofed house except in the case of Door No.85/1 for which a rate of Rs 5-0-0 an ankanam including the value of the site on which the building stands is allowed, with permission to remove the materials of the houses, is fair enough. I accordingly award compensation as particularized in the accompanying statement.

ORDER NO.L. 2114-8

Dated, Bangalore, the 15th Sept 18th August 1928.

In all 41 properties were notified and awards in regard to these were passed in 1913, the rate of compensation fixed being two annas per Sq.Yd. for vacant land, Rs.2/- per ankanam for thatched house and Rs.4-8-0 per ankanam for mud roofed house. Owners of 21 properties are said to be unwilling to accept the awards and all attempts at persuasion have failed.

2. They have made the following demands:-

(1) Each evicted person should be given a site equal to his site in - - Koracharpalya.

(2) Each evicted person should be given a building constructed in a sanitary manner and with a floor area -- equal to that of his existing house.

(3) Each evicted person should be given something towards expenses of shifting, a n d

(4) The settlement should be provided with the usual road, drains, water and lighting facilities.

Government consider the demand as extravagant. But in view of the fact that two of the persons from whom lands were acquired were given a compensation of Rs.2-8-0 per Sq.Yd. Government are prepared

prepared to show these 21 persons also a similar concessions. The Municipal Council are prepared to give each of these persons a site measuring 20 X 18 feet or 40 square yds. at Rs.40/- or even a reduced concession rate. The Municipal Council will be requested to give each of these persons sites in Gangemachery free of charge. In ten cases the new sites will be equal to or slightly bigger than the sites acquired from these people. In the remaining cases, the difference in extent will be paid for by Govt at Rs.2-6-0 per Sq.Yd. in addition to the compensation of annas 2 per Sq.Yd. already awarded.
